Optimal Modular Efficient Global Advanced Architecture

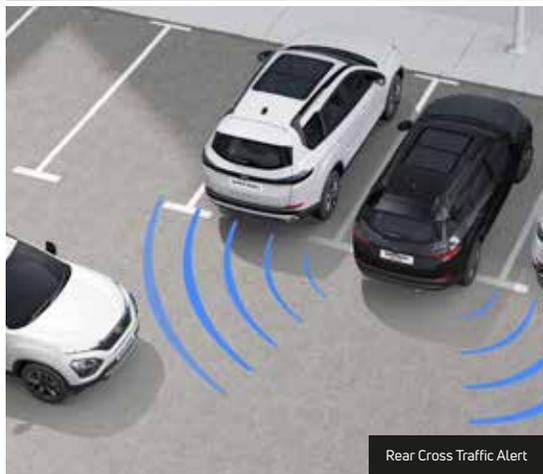

AVAILABLE IN HARRIER

ADAS

BUILT TO TAKE ON SURPRISES 

Advanced Driver Assistance System

Advanced Driver Assistance System (ADAS) are advanced technology solutions intended to enhance the road safety by preventing or reducing the impact of potential accidents. ADAS systems activate safety measures by alerting the driver and initiating possible safeguard measures in the vehicle. ADAS by Tata Motors is an intuitive driving technology which is built to take on any surprises while driving, so that you can experience a safe journey with your loved ones.

Also included:

6. Front Collision Warning
7. Traffic Signal Recognition
8. High Beam Assist
9. Lane Departure Warning
10. Lane Change Alert

Go Bold With Style That's Above All.

An extraordinary exterior design lends the Harrier its imposing stance. Its thoughtfully designed plush interiors allow you to enjoy comfort at its finest; with leather seat upholstery, and signature oak brown interiors that are a class apart. With its all new look, you can only expect to turn more heads as you go!
